# Blueprint Phase Engagement Agreement

 Edge Realm Inc. | ERVault™ Agent Services

Intelligent Automation for Forward-Thinking Enterprises

---

## Phase 1: Blueprint

Your strategic first step into intelligent automation

- **Fixed Price:** \$10,000 (includes up to \$1,000 travel expenses)
- **Scope:** Deep dive into your organization's processes
- **Outcome:** A detailed Project Proposal outlining a scalable solution
- **Value:** Represents ~5% of a typical \$200,000 implementation

## The 5-Phase Approach

Phase	Description	Deliverable
1. Blueprint	Initial assessment, data structure analysis	Project Proposal
2. Prototype	Proof-of-concept for a subset of your domain	Functional Prototype
3. Expansion & Integration	Full-scale solution across your domain	ALPHA
4. Validation & Documentation	QA and comprehensive documentation	BETA & Docs
5. Deployment & Optimization	Production rollout and final support	PRODUCTION Agents

## Why Choose ERVault™ Agent Services?

- **Combined Expertise:** Edge Realm's AI compute platform + Stepic Industries' automation specialists
  - **Clear Roadmap:** Transparent milestones and deliverables from start to finish
  - **Data Security:** Extends ERVault™ principles for precision and care
  - **Partner Status:** Gold Partner in Stepic Industrial Solutions LLC's Partner Program
-
